

# Second-generation Criner designated a certified graduate remodeler

MAY 6, 2016, 8:16 AM

**P**eninsula Remodelers Council Chairman Robert Criner recently presented the National Association of Home Builders' certified graduate remodeler professional designation to his son, Paul Criner.

Paul Criner has seven years experience with Newport News-based Criner Remodeling, where he is currently project manager, according to a news release.

A winner of multiple showcase awards from the Peninsula Remodelers Council, the 26-year-old Criner earned the designation based on his professional experience, a qualifying exam and successful completion of a pre-set curriculum of courses specific to the remodeling industry.

Paul Criner was also inducted as a new member of NAHB Remodelers, the remodeling arm of the National Association of Home Builders.
